

2024 WEST RUSK ATHLETICS

Dear Supporter:

It's just about that time again!!! Football season for next school year is right around the corner. We are starting early on our programs. West Rusk Athletics Football Program Ads are on sale now. This year we have new offers for you and your business this year. Proceeds from this fundraiser will go toward our Athletic program for the purchase of new equipment, uniforms and other items we will need. You can do a business ad plus other options that we have available this coming school year; a senior ad, a student ad, or football moms or any sport moms. It is with the support of businesses and individuals, such as you, that we will make this a successful fundraiser for our Athletic program. We would like to ask for your support this year by purchasing an ad in our program. We are looking forward to advertising your business in our Football programs at every Friday night home game. We have ads for every budget; from just a simple donation to our Athletic program to ads from \$100 to \$950. Please contact Linda Gonzalez at gonzalezl@westruskisd.org if you have any questions.

Thank you in advance for your support!!
